Taking
the
Plunge

*From The Desk
of
Edward J. Haggerty Sr.*

Perhaps you have just started to save for your retirement. Or, you may already be enjoying your retirement. But your first concern is protecting your retirement assets, giving them room for growth and, finally, using them wisely.

Americans are living longer than ever before. Many are spending 20, 30 and even 40 years in retirement. In 1933 when Social Security came into being, life expectancy was 63 years. In the 1980's life expectancy had increased to 78 years. For some the years spent in retirement could very well be longer than the years spent working.

Today more than ever before, retirees must overcome some very unique obstacles on their path through retirement. Obstacles such as longevity, inflation, market volatility and maintaining today's lifestyle tomorrow, to name a few.

Developing a strategy that will provide a lifetime of income and managing risk is crucial to provide peace of mind.

"Frigid Friend-zee"
Friends Take Chilly Dip for YMCA
By Robert Chiarito

When the Mattapoisett chapter of the South Coast YMCA system posted a notice that they were going to hold their Third Annual Frigid Friend-Zee on Saturday morning, March 1, they did not get the expected number of takers. But sometimes, it is not the quantity of your volunteers that gets a job done — it is the quality of volunteers. The five kids who participated in this year's plunge went above and beyond the call of duty as they took it upon themselves to make certain that this year's event was a success.

Jesse Hodges, Molly Richards, Annie Henshaw, James Estudante, Brady Gracia and YMCA Youth Councilor Jeremy McDonald braved the frigid waters of Mattapoisett Harbor at about 8:00 am on Saturday morning as part of an effort to raise money for Camp Massasoit's after-school programs. The six intrepid souls made their way to the beach through a steady wind and pouring rain to take a dip in the harbor in the name of charity.

Above: Sippican School staff member Charles "Chip" Phillips III (center) was awarded the Marion School Committee Recognition of Achievement on February 27 for designing and building a one-of-a-kind platform for the Project Grow classroom, specifically created for a student confined to a wheelchair. Chip also adapted a computer table so that the student's wheelchair fits right into it. He is congratulated by Principal Dona Mahoney (right) and Chairman Jane McCarthy (left). On the cover: Dippers Molly Richards and Jesse Hodges were awarded prizes for coming in costume to the Third Annual Frigid Friend-Zee which was held on Saturday morning, March 1 at YMCA's Camp Massasoit in Mattapoisett. The annual event was moved from January to March this year and is done to raise funds for the YMCA's after-school programs. (Photo by Robert Chiarito).

The event, which in previous years, had been held during the first weekend in January, was moved to March this year for a variety of reasons and may have been the reason for the small number of participants. This year's smaller numbers did not mean that the fundraiser was not a success as the five kids spent the weeks leading up to Saturday morning manning the phones and going door to door with pledge sheets in hand to raise money to enhance their after-school program at the Mattapoisett YMCA. According to officials at the Y, the five reached the goal almost entirely on their own. The money raised by the group will go towards such items as hula-hoops, playground balls, lego blocks, doll houses and furniture,

The dinner was a fundraising event aimed at raising money for the Rochester County Fair, to be held this year from August 20 through the 24 at Plumb Corner in Rochester. The theme of this year's fair is Rochester Western-Style. (Photo by Robert Chiarito).

Dippers Molly Richards and Jesse Hodges were awarded prizes for coming in costume as Molly won the theme prize for her mermaid outfit and Jesse took the prize of scariest costume for her spider web costume. The girls were given tickets to enjoy a local water park. The girls will have to wait until the weather warms to take that plunge. After all of the participants had come in from the cold the six brave dippers along with family members and volunteers were treated to a pancake and sausage breakfast.

Dinner Dance Benefits Rochester Fair

By Robert Chiarito

With the lingering chill of six months' worth of winter weather still hanging in the air it is, at times, hard to remember what the sweet warmth of a summer's day feels like. The very thought of throwing on a pair of cut-offs and heading out to a day of frog racing and ax throwing seems like wishful thinking in early March, but these thoughts did not get in the way of the daydreams of a group of Rochester residents as the Rochester Country

Fair Committee held their annual Dinner Dance on Saturday, March 1 at Redman's Hall in Wareham. The dinner was a fundraising event aimed at raising money for the Rochester County Fair, to be held this year from August 20 through the 24 at Plumb Corner in Rochester.

The theme of this year's Fair is Rochester Western-Style and if Saturday evening's event is any indication, the people of the tri-town area are going to be treated to a true western-style hoe down later this year. Redman's Hall was filled to capacity as several hundred people dressed in cowboy hats and boots and pearl-buttoned shirts while being treated to a spaghetti dinner and a night of after dinner dancing with music supplied by local favorites The Relics.

Rochester resident Lori Souza, who volunteered to help with the evenings festivities, explained the reason the Fair Committee was holding this event six months ahead of the fair, "This is a fundraiser for the Rochester Country Fair which is a non-profit event. All of the money that is made here tonight goes back into the fair. We have a lot of contests with cash prizes during the Woodsman's Show and other contests and this will help to fund all of them."

In addition to selling tickets for the dinner, the Fair Committee arranged a raffle of prizes donated by local residents and businesses.

This summer's fair should prove to be a fun-filled family oriented weekend and will include such familiar

After a long and snowy winter, Saturday night's dinner seemed to be just the tonic needed for the residents of Rochester. It is never too early to dream of a summer afternoon spent with the family at the Country Fair.

ORR Earns Another Six at Jazz Festival

The Old Rochester Regional High School ensemble took first place in the Class SC Ensemble Category and second place in the Class V Ensemble Category. Student Aaron Janik took third placed as an outstanding player in a Class V and SC Ensemble. Student Mack Williamson took first and fourth place in a Class SC Ensemble and Class V Ensemble respectively.

Berklee's annual High School Jazz Festival, the oldest and largest competition of its kind in the United States, celebrated its 40th anniversary on February 9 at the Hynes Convention Center. More than 3,000 students and 200 bands performed and competed for tuition scholarships totaling \$175,000 — the highest amount awarded in the history of the festival.

Berklee's High School Jazz Festival, originally known as the New England High School Stage Band Festival, was initiated by former college president Lee Eliot Berk. Over the years, thousands of high school students and music educators have benefited from the perfor-

an exceptionally special event at Old Rochester Regional High School. The 2008 National Honor Society (NHS) Induction Ceremony was held at 7:00 pm inside the ORR Cafe. This year, 28 deserving students — including myself! — were welcomed in as official members of the prestigious association. The night began with an introduction made by Teresa Dall, who is head of the English department and Old Rochester's NHS advisor. This was then followed by two additional welcomes made by a residing ORR senior and president of the Honor Society, Aaron Janik, along with one given by the school's new principal, Sheila Haskins. The speakers of these three orations were able to commence the evening with an enthusiastic tone by explaining how honored and proud they felt to be part of such an exciting event.

Annually, a guest speaker is asked to come to the school on the night of the induction to talk a little bit about the importance of a title such as the one of being an Honor Society member. James Mathes was asked to speak at this year's ceremony. After Ms. Dall announced the amazing amount of time and service James has dedicated to not only his own community but to communities all over the country, he was then asked up to the podium. His inspirational speech discussed the importance of community service and how simple and satisfying it can truly be giving back to the district that you live in.

Next up on the evening's agenda was a recognition of the qualities that a member of the National Honor Society should embody. The Candle of Knowledge, which is claimed to be constantly burning, was acknowledged by Tucker Johnson, who explained that knowledge is much more than what the dictionary definition says it to be. Aaron Janik lit and gave his opinion on the Candle of Scholarship, followed by Beth Beatriz with the Candle of Service, Rae Bourque with the Candle of Leadership

and Brian Berry with the Candle of Character. Once the candles were all lit two members of the society, Peter Fernandes and Aaron Janik, performed a musical interlude. The two songs — “Duet 36: Batter-dipped Chicken” and “Duet 2: Thoughts on a Patriotic Cheeseburger” — were played simultaneously on their trumpets and served as a great intermission before the most important part of the ceremony.

Ms. Dall believes that it is essential to induction night for each inductee to get recognized with a small “moment to shine.” As the names were called off by Sally Beauvais, each “member-to-be” stood up individually in order to make their proud faces known to the audience. Afterwards, Molly McCarthy administered the National

Honor Society Oath which was repeated by the inductees. Finally, it was time to obtain the symbols of membership. Candles were administered by Lauren Costello, Erica Allen, Sheridan Mello and Nikita Bourque. Kate Florio, Stefanie Spach, Liann Correia, Christina Pineda and Brady Shwartz placed the pins upon the inductee's shirts while Kelly Bescherer and Helaina Sacco distributed the formal membership cards.

The 28 new members were then officially welcomed into the National Honor Society. These students included: Connor Bost, William Frantz, Alexander Goodman, Katherine Hartley, Aren Johansen, Devon Johnson, Ann Marie Kassabian, Adrienne King, Christopher Kornichuck, Emma Lagreze, Brittany Lees, Wendy Lopes, Meg MacGregor, Alia Marinone, Allison McGlynn, Olivia Mello, Thomas Morss, Chelsie Nectow, Kendall Nelson, Shannon O'Donoghue, Catherine Pasquill, Jacqueline Scholz, Katelyn Simmons, Colleen Sinnott, Chelsey Stafford, Lucya Turowski, Leah Wilhelmsen and Christopher Wright. Congratulations to all the inductees!

Throughout the second week of March, ORR's language arts department will be celebrating foreign language week. There will be different activities and posters around the school in an effort to spread awareness of the diversity in language and culture of foreign countries. There will be trivia contests in which winners will be given prizes by the department, along with international-themed lunches served in the cafeteria. There is also hopes of holding a talent show where students can show off the skills they have that express devotion their own personal nationalities or other nationalities that they find of interest. The foreign language administration anticipates a fun week and hopes that all students will get involved one way or another.

point Mr. Cooper as requested.

The board next approved one-day special alcohol licenses for the Marion Music Hall on March 29, the Marion Art Center on March 8, and an event at Silvershell Beach on August 7, 2008.

The board next added a 2000 Ford Crown Victoria from the Fire Department to the town's list of surplus property which was approved at their last meeting.

The board then considered a request for a sewer betterment abatement for a superfluous tie-in.

"This is a request for a sewer betterment that is almost a year old," Mr. Dawson said. "What happened here is the time when the sewer upgrades were taking place ... it was the owner's intention to merge two lots into one lot, so there would only be a need for one sewer tie-in. We needed proof from the Register of Deeds that it was, in fact, one lot. It's a wash, there would be no adverse impact in approving this betterment."

With that, the board unanimously voted to approve the betterment as recommended.

The board sent letters of appreciation to Priscilla and Charles Bradley for their past service to the town. "I just think 100 years from now these people will be remembered for their contributions to the Town of Marion," Selectman Henry added.

The board also approved a Common Victualer's License for "Rose and Vicki's" to be located at 311 Wareham Road, taking over the former Gourmet Grieko Restaurant.

The board also received a request from the Music Hall Advisory Committee to expend \$1,000 from the Music Hall Endowment Fund to replace the handicap accessible door at the rear of the building which is damaged from rot and needs to be replaced.

project of refacing (that side) of the Music Hall and there was some pretty serious water damage done as a result," Mr. Dawson said. "This recommendation from the Music Hall Advisory Committee certainly makes sense."

With that, the board unanimously voted to approve the request as submitted.

The board also approved the appointment of Hamish Gravem to the Police Station Building Committee as recommended by the Finance Committee (FinCom) to represent them.

Under the Town Administrator's report, Mr. Dawson noted the Police Station Building Committee has resumed meetings and are forging ahead to meet with the architect and "see how to best proceed from here," he said. "I believe they plan to meet again on Thursday. It is up and operating again and trying to see if there is somehow, someway to come up with an acceptable approach to a desperately-needed situation."

Mr. Dawson also noted the deadline to submit citizen petition articles for the Annual Town Meeting warrant was February 29, and they have received three such articles: one to reconsider a recall by-law for the Town of Marion; one to ask the Board of Selectmen to reconsider their recent vote to adopt third-party ambulance billing; and the third to ask Town Meeting to accept the report of the EMS Research Committee which was previously submitted to the Selectmen.

According to Mr. Dawson, all three have been

"They are currently working with ORCTV and are working with the Executive Director so we have proper deployment of the various public, education and government access programming," Mr. Dawson said.

There being no further matters to discuss in Open Session, the board unanimously voted to go into Executive Session at 7:25 pm to consider contract negotiations, possible disciplinary action, and pending litigation. They would thereafter adjourn for the evening.

Rochester Commuter Rail Meeting

March 3, 2008

By Kenneth J. Souza

A special meeting with representatives from Governor Deval Patrick's office on behalf of South Coast Rail, the Rochester Board of Selectmen, various town officials and residents was called to order on Monday, March 3 at 6:30 pm in the Rochester Town Hall.

According to Kristina Egan, the EOT South Coast Rail Project Manager, they've been going out to the various communities in the area that will directly be impacted by the proposed South Coast commuter rail project to solicit input and find out how to best proceed with the project without adversely affecting their existing quality of life. "We've been going out to the communities for the last six months and we're evaluating our different alternatives and will be coming out with a shorter list (of possible routes) next week," Ms. Egan said. "We spent a lot of time driving through Rochester before this meeting ... we saw a lot of stables and horses and (open space). For us, we feel we can work with communities such as Rochester to help shape growth. We're looking to identify places where you think you'd like to see new growth and also help to preserve open space."

Goody Clancy and the Southeast Regional Planning and Economic Development District (SRPEDD), Ms. Egan said they are looking "at the economic needs of the 31 cities in towns ... while balancing between regional and local needs into a smart growth plan."

Weighing some 63 initial options for the proposed commuter rail line from Boston to the Greater New Bedford/Fall River area, Ms. Egan said they won't have the actual route decided until some time in 2010. But they will be narrowing down the viable options to some six or so which are the most practical and cost-effective at the moment and announcing those within the week.

"I think we all agree that the (commuter rail) will increase the desirability of the Town of Rochester to everyone," Selectman Dan McGaffey said.

"As part of this project we are looking to how we can assist you, as a community, in terms of helping you manage growth and preserve the character (of the town) that you want," said Larissa Brown of Goody Clancy.

"We do know something about you and have read about the new developments ... but we'd like to know what is the community character that you'd like to keep?"

"We're pretty much a rural, residential community with some agricultural and industrial (properties)," said Town Planner Randall Kunz. "We have two-acre zoning and we're fairly liberal with projects within those zones. We're very protective of our aquifers ... and we're getting smarter about identifying them and protecting them."

"We saw a pretty substantial impact the last time the train station was opened up in Middleboro," said Robert Cummings of the Planning Board. "There was just a real market change ... both subdivisions and A&R. The town is mainly residential and there's been some resistance to (commercial development). SEMASS is sort

of the town's savior ... but now we're at the point that if SEMASS wasn't here we'd be in serious trouble."

"People like the peaceful lifestyle here," added Police Chief Paul Magee. "But we're getting more newer residents who are looking for the type of services they had (elsewhere), so in the public service sector we're trying to balance those two needs."

"We have been working to protect a lot of land, but as you know you can't buy it all," said Susan Peterson of the Rochester Lands Trust.

"I was in Lakeville, which has gone up 40 percent in population since the train station came in," said Town Administrator Richard LaCamera. "I don't think development is going to stop ... the Planning Board just approved a 110-unit housing development. We're working to (expand) the elementary school which is definitely overcrowded. We're all anticipating significant increases and the problem is the money coming from the state isn't even close to matching (what we need). We're lucky to have SEMASS, but as Mr. Cummings said, all of it is being used to (balance the budget). But something's gotta give

Dental Disease

My dog's breath is pretty bad. Is there something that I can feed him to make it smell better?

Elevate your dog's upper lip and look at his molars. They should be white and shiny. If they look brown near the gums you should schedule an appointment with your veterinarian to discuss dental cleaning. Dirty teeth and the infected gums that usually come with them often cause a foul odor, pain and the potential for tooth loss. Every time your dog chews he may experience a bacterial shower into his blood stream which can affect his heart valves, kidneys and other organs. Have the teeth cleaned and discuss ways to prevent dental disease in the future.

under the current tax structure. When you look at the total picture here, the community is going to grow, there's going to be significant growth in the school system, our police force will need to expand, we have road construction that needs to be done — somewhere between \$2 and \$3 million."

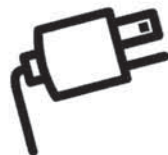

"Rochester, historically, has always been very frugal," Mr. Cummings said. "But if you prove to them we need something, they'll support it. Voters just have to be convinced, but once they're convinced, they reach down deep into their pockets and support it."

According to Town Planner Randall Kunz, they are currently in the process of updating their Master Plan which sets priorities for future town expansion and development.

"The problem is the town has all its eggs in one basket," said Selectman Richard Nunes. "It's with SE-MASS ... (and) they have contracts with NStar, but those contracts are expiring. So SEMASS is going to have to buy and sell electricity through the stock exchange around 2011-2012."

"There are towns like Westport which have traditionally been more rural and they've made the decision to develop the town center for more commercial use," Ms. Brown said. "Is that something Rochester has considered?"

"It's nice talking about, but it's not a simple thing to do," Selectman McGaffey said. "You're now talking

about increased infrastructure, possibly town water and sewer ... and that's expensive."

"From what we've learned about Rochester, you're clearly thinking about your future," Ms. Brown said. "You just had the Department of Revenue (DOR) do a study, you're dealing with new development, and you're working on updating the Master Plan."

"It's wonderful to talk about planning, but we can only overcome our current understanding of our town with real data ... and right now, we don't have it," Selectman McGaffey said.

"I think we do have the data, we just haven't realized it," Mr. Cummings said.

"In this town we haven't been planning very well," Selectman Nunes said.

"I came here tonight thinking that we were going to discuss the (commuter) railroad," said resident Tom Strutski. "The time is now for us to start working on some mass transit. I've seen what mass transit can do for a community and do for a state — it's a win-win situation."

"I do also think that mass transit is something we need in the future and I appreciate your comments," Ms. Egan said. "My main job is to build the railroad ... and Governor Patrick would like the railroad to be up and running by 2016."

"The elephant in the room, having identified that we're going to be a bedroom community, is that the trend will bring in more people with kids who need to be educated and it costs like sin," Mr. Kunz said. "And the railroad will do that to Rochester and it's a large white elephant."

"It all goes back to the overall issue of how we raise our money," Ms. Egan said. "I call it vasectomy zoning, because we have all this 55 and over zoning and we don't have any places for children to grow up."

"There are probably at least two levels in Rochester — you've got the rural economy, with farmers who work the land; and then you've got people who live here but work in Boston or elsewhere," Selectman McGaffey said. "We've got to find a way to fund schools that isn't based on property taxes."

Ms. Egan noted there will be additional meetings

tournament over the last few season or expected to be in a rebuilding mode this year, the losses were a bittersweet ending to a successful season.

The **Old Rochester Boys Basketball team** looked as though they were going to be blown out of their own gym as they faced number 9 Hopkington in their MIAA Division 3 South Sectional first round match-up on Wednesday, February 27. The number 8 Bulldogs trailed the visiting team by 17-point margin, 71-54, as they entered the final quarter. ORR came storming back with a stunning 29-point barrage as they held the Hillers to just 16 points down the stretch. Hopkington's **Kevin Casseta** iced the game and ended the Bulldogs' season as he calmly sank a free throw to give his squad a four-point lead with 1.7 seconds on the clock to seal the win. **Ben Church** scored a game high 26 points in the loss as **Jeff Rezendes** added 24 for the Bulldogs who finished their season with a 14-7 record.

The **ORR Hockey team** saw their year come to a close on Thursday, February 28 as they lost to third seeded powerhouse Pembroke 11-1 at the Bog in Kingston in the first round of the MIAA Division 3 South Sectional tournament. The game remained a civil contest, in spite of some chippy play in the closing moments as the Bulldogs kept their composure in the face of a lopsided final game. Old Rochester ended the year with a mark of 10-8-3.

In other action, the number eight seed **Old Colony Cougars Boys Basketball team** saw their season come to an end on their home floor on Thursday, February 28 as they fell to number 9 Mashpee, 79-53. The loss left the Cougars with a 12-9 mark for the year in a contest that marked the team's first playoff game in four years.

Old Rochester's Girls Basketball team was the number 12 seed when the team traveled to Braintree on Thursday, February 28 to face Archbishop Williams High School. Archbishop Williams ran past the Lady Bulldogs, 64-26, as ORR ended the year with a 13-10 record.

The **ORR Athletic Department** is in the midst of the Annual Phone-a-thon. The three-week long fundraiser, now in its fifth year, is sponsored by the **ORR Athletic Department Booster Club**. The drive began on Monday, March 3 and will end on March 20. Students will be mak-

Mattapoisett Power Squadron

The Mattapoisett Power Squadron will present The Squadron Boating Course, a course for boaters of all levels (the personnel watercraft operator; the hunter or fisherman; the skipper of a family cruiser; or the sailing enthusiast), at the Wareham Memorial Town Hall, 54 Marion Road in Wareham beginning on Tuesday, March 25, 2008 and continuing for eight weeks. Registration will be from 6:00 to 7:00 pm with the first class starting at 7:00 pm.

All boaters, from canoeists and kayakers to operators of large cruising yachts, are subject to federal and state nautical laws and regulations, courtesies of the sea, and the same forces of nature while boating. The Boating course provides instruction and examination for both Federal and Massachusetts laws and regulations and, if required, can include Rhode Island regulations. Because boating is a family activity, families are encouraged to attend as a group sharing a single text.

Revised and updated to address the latest requirements of the National Association of State Boating Law Administrators this accredited course introduces and instructs the student in the fundamentals of safe boating. Mattapoisett Dentist Earns Prestigious Dental Fellowship

PressRelease/MATTAPOISETT, MA, February 14, 2008 - Dr. Louis P. Kenyon, was inducted as a Fellow of the International Congress of Oral Implantologists (ICOI) on February 8, 2008 in an award ceremony held at the Bellagio Hotel in Las Vegas, NV. In addition to post-doctoral continuing education courses in the field of dental implantology, the criteria for Fellowship required Dr. Kenyon to present a number of cases involving his surgical placement and restoration of patient implant treatments with various degrees of difficulty to the ICOI Board. This is Dr. Kenyon's second fellowship designation. He has been Fellow of the Academy of General Dentistry since 1995. In 2007, Dr. Kenyon completed an extensive 9-month 216 hour implant continuum at the Triangle Dental Institute (TDI) located in the Research Triangle Park area of Durham, NC. Dr. Kenyon has trained extensively in surgical placement and restoration of dental implants. His training at TDI and in other venues across the nation included lectures, workshops, and one-on-one mentoring on implant surgical placement and restoration, bone preservation techniques, sinus lifts, as well as hard and soft tissue regeneration with and without the use of the latest stem cell technology. Dr. Kenyon is proud to add this most recent training to his extensive background in implant dentistry and says this compliments his commitment to dental care for the adult patient and keeping on top of the industry's most current treatment options. Dr. Kenyon believes that *"by bringing patients more treatment options, offered in one location, they have a better overall dental experience. Offering our patients the best dental care available makes the 9-months very worthwhile especially because these options can be positively life changing for a patient."* Dr. Kenyon is a graduate of Bishop Stang High School, the College of Holy Cross and the University of Pennsylvania School of Dental Medicine. His dental practice is dedicated to general and implant dentistry for the adult patient and is located on Route 6 in Mattapoisett, MA.

"I fell in love with the action, suspense and plot twists in the story," Ms. Cukor said. "I have no doubt this story will make a seamless transition to a feature film." Mr. West has been retained to consult on the screenplay in an advisory capacity.

"I'm excited to see the story take this step toward the big screen," Mr. West said, adding that since he began visiting book groups to promote the book, "Someone at every meeting suggests making the book into a movie and invariably Johnny Depp's name comes up connected to Randy Black." Mr. West agreed that Randy Black's insidious nature and unpredictable antics would be well portrayed by Mr. Depp.

Mattapoisett Women's Club

Kate Corkum, Executive Director of New Bedford's Rotch-Jones-Duff House and Garden Museum, will give a unique power-point presentation transporting members and guests of Mattapoisett's Women's Club into the mid-19th century, a time when Millard Fillmore and Franklin Pierce were U.S. presidents. Club members and guests will go on a virtual stroll down New Bedford's cobblestone streets in the footsteps of such well-known luminaries as Herman Melville, Frederick Douglass, Paul Cuffe, and William Rotch Sr. Mr. Rotch's family was instrumental in developing trade with Europe. Historically, the era was remarkable; New Bedford was the world's preeminent whaling port, and on the Acushnet River, the Wamsutta Mill was going full steam ahead manufacturing the world's finest cloth. Both industries contributed greatly to New Bedford's enormous growth and golden age.

Come share this extraordinary journey with the Mattapoisett Women's Club as they discover the characters of pre-Civil War New Bedford. The club meets at the Mattapoisett Congregational Church's Reynard Hall on Thursday, March 20 at 12:00 noon. Guests are always welcome.

Sippican Seniors

The next monthly meeting of the Sippican Seniors will be held on Friday March 14 at 1:30 pm at the VFW Hall on Route 6 in Marion. The facility is handicap accessible. The meeting will feature the group's famous Brown Bag Auction. Please bring a new item in a bag and mark the value on the bag. Come and bring a friend. Refreshments will be served.

ORR Drama to Stage *Evita*

Winner of seven Tony Awards, including best musical and score, *Evita* will be performed by the Old Rochester Regional Drama Club from March 27 through March 30 in the ORR High School Auditorium. Told almost entirely in song, *Evita* follows the life of Eva Peron, an actress who married Juan Peron, President of Argentina. Affectionately nicknamed "Evita" by her devoted followers, she continued to dazzle the public until her death at the young age of 33. Composed by Andrew Lloyd Webber with lyrics by Tim Rice, the musical opens with Eva's funeral which was attended by millions, the narrator then brings the story back to Eva's earlier life.

Evita stars Chelsie Nectow in the role of Evita,

Daniel Andrews in the role of Che, Charles Tucker Johnson in the role of Juan Peron, Kate Florio as Peron's Mistress, and Matt Kaloplastos as Agustin Magaldi.

With 43 elementary and junior high students and a supporting cast of 92 high school students, including stage techies, follow-spot operators, orchestra members, sound/lighting technicians, ushers and concession people, the total number in this expansive cast is 135 tri-town students.

"I chose the award-winning *Evita* for this year because we had several kids who could perform any of the roles," said Director Paul Sardinha. "Also, the historic value and topic of the show could be interconnected with the language and history programs at ORR."

"Several of these gargantuan 'Broadway Operas' have been produced at ORR," continued Mr. Sardinha. "We were the first high school in this area to produce such grandiose musicals as *Into the Woods*, *Candide*, *Les Miserables*, and *Ragtime*. We have the voices and the actors, why not push and expose them to this higher level of theatre?"

In addition to direction by Paul Sardinha, the costumes are by Helen Blake. *Evita* will be presented Thursday, Friday and Saturday, March 27, 28 and 29 at 7:30 pm, and Sunday, March 30 at 2:00 pm. Tickets are \$12 for adults and \$8 for students and seniors. Tickets will be available at the Pen and Pendulum in Mattapoisett, the Marion General Store and the Plumb Corner Market in

Marion Art Center

Mostly Maritime

An exhibition of "Mostly Maritime" acrylic paintings by Stephen Cook is now on display at the Marion Art Center. Mr. Cook's work is representational, though often a painting will start out as a purely abstract thumbnail design, sometimes even before a subject is decided upon. Clear, taut, contrapuntal design is a vital first consideration. He tries to keep shapes large and simple, with large areas of color setting off smaller, more detailed forms. A lifetime in illustration has left him with firm respect for considerations of draftsmanship and perspective and with an appreciation for narrative and immediacy.

Stephen Cook received a BFA from Rhode Island

School of Design in Illustration and is a certified art teacher in Massachusetts public schools, all grades. He has exhibited in many galleries on the east coast and maintains a studio in New Bedford. His work is in the permanent collections of Rhode Island School of Design, the City of New Bedford, and in numerous private collections. He had a two-year "vacation" in mid-career, at sea with the New England fishery, which helped set the course for his choice of his favorite subject matter in painting — hence the title of his one-man show at the Marion Art Center.

The exhibition will be installed in both galleries at the art center, located on the corner of Main and Pleasant Streets in Marion through April 9. Gallery hours are Tuesday through Friday, 1:00 to 5:00 pm and Saturdays, 10:00 am to 2:00 pm. Admission is free.

Annie Auditions

Auditions for *Annie, Jr.* will be held at the Marion Art Center on Sunday, March 9 from 4:00 to 6:00 pm. The award-winning musical has been adapted for community theaters, and the cast calls for adults and children (Grades 4 and up). Nancy Sparklin will be the music director with Wendy Bidstrup and Annie Giddings as co-directors. Productions are June 13-15, 2008. Rehearsals will be on Sundays and Mondays. For more information, please call the Marion Art Center at 508-748-1266.

Dance Program

The Marion Art Center is pleased to announce that Teah Mazzoni has joined the staff as Instructor of Dance. The Dance Program for 3-5 year olds has reopened on Wednesdays, 4:00 to 4:45 pm. There will be three six-week sessions culminating in a mini-recital in June. Tuition for each session is \$75 for MAC members and \$85 for non-members.

Teah Mazzoni is an enthusiastic and bright young woman. Dance has always been a large part of her life, and she looks forward to the opportunity to teach at the Art Center. She began her dance career at Sherry Gold Studios and later was a competition dancer at Kathy Medina's Studio in Rochester. At 17 she began teaching and choreographing for the 3-5 age group. At 18 she was crowned Miss Dance Olympus 1998 and performed as one of the 15 Headliner Dancers at the National Competi-

Rochester Senior Center

- Anyone Interested in Bingo? Recently, a few people have expressed an interest in scheduling a weekly Bingo game. If offered, it would have to follow the Massachusetts State Regs. To operate it under the "Senior Citizen Recreational Bingo," which has different guidelines than traditional fund raising bingo games. If there is enough interest, a group of 4-6 volunteers who would be needed to commit to running the game at the Senior Center on Wednesday afternoons from 12:30 to 3:00 pm. They would probably be a 15 minute refreshment break mid-afternoon. The COA has the game, they just need the help and interested players.

MOVIE REVIEW

Hog Wash

By Rob Gonsalves
www.robsmovievault.com

Penelope. Starring Christina Ricci and James McAvoy. Directed by Mark Palansky. Running time: 89 minutes. MPAA rating: PG.

How? How can a movie with this premise and this cast be so mercilessly dull and stupid? The titular heroine of *Penelope* (Christina Ricci) was born with a pig snout for a nose, the result of an old curse placed on her family. To break the curse, she must win the love of a "blueblood" like herself. So Penelope's overbearing mother (Catherine O'Hara) sends for dozens of potential suitors, all of whom run screaming from her hideous visage, crashing through windows. The problem is, Penelope isn't hideous at all; Christina Ricci is actually rather cute in her prosthetic. So the movie seems off right from the start. If you're going to make a fable about a woman learning to overcome her deformity, make sure she has a deformity to overcome.

Penelope seems to be set in some fairy-tale conflation of New York and London — half the cast is British, and not all of them bother to Americanize their accents. (The film was shot mostly in London.) People use rotary phones and typewriters, too, so I guess we're supposed to take the introductory "Once upon a time" title card literally. It's a whimsical fantasy, then, and it seems to be aimed straight at the hearts of impressionable teenage girls (who would probably rather see *Juno* again than see this). But it takes forever to get to the point, and our time until then is taken up with the usually dependable Catherine O'Hara obnoxiously playing to the rafters, and a pre-*Atonement* James McAvoy morosely tickling the ivories after Penelope has rejected him (*Penelope* has been on the shelf for at least two years), and Peter Dinklage providing the only mild laughs as a one-eyed reporter who first wants to expose Penelope and then has a change of heart.

I was unsurprised to learn that the movie was written by Leslie Caveny, a writer and producer on *Everybody Loves Raymond*, and directed by first-timer Mark Palansky, who spent about a decade as

an assistant on, and then second-unit director for, various Michael Bay productions. I'd like to think that the creative marriage of a sitcom writer and a Michael Bay protégé might produce a wonderful child, but *Penelope* is stillborn, even though Reese Witherspoon, in her first effort as a producer, midwived it. (Witherspoon plays a small, highly extraneous role as Penelope's new friend who makes deliveries on her winged motorcycle.) What on earth did Witherspoon see in this material?

The minute we lay eyes on James McAvoy, we know he's going to be the one for Penelope — he's not like all the other suitors, and he gets a teasing rhythm going with Ricci, who's otherwise pretty stranded up there, never getting to use her gift for sarcasm or even any garden-variety smarts. Penelope is just pushed this way and that by fate. The movie is surprising in one regard only: I never thought I'd see a movie in which such supporting players as Richard E. Grant, Nick Frost, Russell Brand, and Lenny Henry — seasoned British comedians all; maybe Witherspoon watches BBC America a lot — are completely unfunny. *Penelope* is useful as an example of how the talents of many — and I include Witherspoon, who I hope has a shinier future as a producer — can be overridden by an untalented writer and director. It plays like a Lifetime TV movie made by people who love everything about Tim Burton's work except that dark gothic stuff.

MILESTONES

Deaths

Helen Adams Carroll Arthur

often referred to her grade school days in the North Shore town of Salisbury as being the perfect atmosphere for a youngster to grow and enjoy the outdoors and it was where she fostered friendships from the first grade that have provided her a lifetime of annual get-togethers with those classmates.

Helen was born in the Allston section of Boston in 1940 to Andrew J. and Irene A. Carroll moving to Salisbury when she was five. Helen attended Newburyport High where she enjoyed competitive athletics of basketball, a sport that she played later in life taking on her children in games of HORSE in the driveway. Sports were important to Helen and she made sure that her children participated in sports in all of the seasons. She enjoyed tennis with her friends at the Sippican Tennis Club, golf at the Kittansett Club where she was a member for many years and skiing throughout North America with her children.

Her love of fashion and interior design inspired her throughout her life and was evident in her beautifully decorated homes as well as her personal sense of style. She also delighted in the beauty intrinsic in design and color of the gardens at her home and in creating unique floral arrangements. Her nightly potpourri on the piano, performed while the children did homework with her background encouragement, was silenced in 1987 by rheumatoid arthritis. She never complained nor did this disease dampen her love of music or of sports.

Helen married Richard I. "Dick" Arthur in 1959 and briefly lived on Ring's Island across from Newburyport. Living in Newport, RI for four delightful years was followed by forty-three years in Marion on the Massachusetts South Coast. Helen was active in the Catholic Women's Club of Saint Rita's Parish and delighted in managing the teenage girl's softball team of the Parish.

Focus on family was always first with Helen and she has been the confidant of each of the children from their youth, as well as providing the deep, constant love and encouragement that youngsters cherish in a mother and grandmother.

Helen died Saturday, March 1 in Marion after a short illness surrounded by family. She is survived by her husband and her children Jeanne and her husband Ted Ackley of Warren RI; Richard and his partner Stephanie of Mattapoisett; Brian and his wife Lynn of East Greenwich, RI; Christine and her husband Trey Klein of Belmont; and Stephen and his wife Elena of Marblehead. Her grandchildren, to whom she is known as "Nana," Kathryn, Jon, Emily, Tom, Madeleine, Julia, Anne, Carolyn, Grace, Flora Jeanne, Jameson and Evan will miss her greatly. Survivors also include her siblings Robert Carroll, and Anne Jones of Salisbury, MA and Mary Easto

of Venice, FL. Helen is predeceased by her son Jonathan and her sister Irene Mulrey of Walpole, MA.

Visitation will be held at the Saunders-Dwyer Mattapoisett Home for Funerals, 50 County Road, Route 6, Mattapoisett on Friday evening March 7 from 5:00 to 8:00 PM. Her Memorial Service will be held at the Wickenden Chapel at Tabor Academy on Saturday March 8 at 11:00 AM. In lieu of flowers, contributions may be made to the Sippican Lands Trust, 589 Mill Street, Marion, MA 02738. For directions and guestbook, please visit www.saundersdwyer.com.

Barbara C. (Cross) Whalen, 89, of Mattapoisett died Thursday, February 28, 2008 at Sippican Healthcare Center after a brief illness. She was the wife of the late Charles H. Whalen.

Born in Melrose, the daughter of the late Walter and Florence (McPhail) Cross, she was raised in Fairhaven and lived in Mattapoisett for most of her life.

After the death of her husband, Ms. Whalen owned and operated the Dahill Company in New Bedford until her retirement. An accomplished musician, she played for the Fall River Symphony Orchestra, the New Bedford Symphony Orchestra, the Longwood Symphony Orchestra, and the Plymouth Philharmonic. She was a member of the Mattapoisett Yacht Club and the Mattapoisett Women's Club. She enjoyed traveling, knitting, and spending time in her garden.

Survivors include a daughter, Christine W. Ketchel of Mattapoisett; a sister, Althea C. Marvin of Niantic, CT; a son-in-law, David Anderson; and five grandchildren, Nate, Morgan, and Sarah Ketchel, and Julie and Charles Anderson. She was the mother of the late Susan Anderson.

A private burial service will take place at Riverside Cemetery in Fairhaven. In lieu of flowers, remembrances may be made to the Greater Fall River Symphony Society Scholarship Fund, P.O. Box 9034, Fall River, MA 02720. Arrangements are by the Saunders-Dwyer Mattapoisett Home for Funerals, 50 County Rd., Route 6, Mattapoisett.

Lorraine E. (King) Morse, 76, of Rochester died peacefully February 29, 2008 at the Island Terrace Nursing Home. She was the widow of Raymond R. Morse.

Ms. Morse was born in Rochester, daughter of the late Raymond W. and Alberta E. (Reed) King, and was a lifelong resident of the town. She was a graduate of Wareham High School class of 1949. She enjoyed square dancing, knitting, playing cards and was an avid Red Sox and New England Patriots fan.

Survivors include 2 sisters: Barbara Besse and Betty Beaulieu both of Rochester; a brother Allen King of Acushnet; 14 nieces and nephews; and her loving caregivers. She was sister of the late Marjorie Morse and Raymond W. King, Jr. Memorial donations may be made to the North Rochester Congregational Church, 289 North Avenue, Rochester, MA 02770.

SALOME'S STARS

ARIES (March 21 to April 19) Your soft-hearted self is drawn to a tempting offer. But your hard-headed half isn't so sure. Best advice: Do it only after every detail is checked out to your liking.

TAURUS (April 20 to May 20) Your inventive mind should help you find a way to get around an apparently impassable barrier and make yourself heard. Your efforts get you noticed by the right people.

GEMINI (May 21 to June 20) You're enjoying this creative period. But by mid-week, you'll need to emphasize your more pragmatic talents as you consider a risky but potentially lucrative move.

CANCER (June 21 to July 22) An unexpected rejection could turn into something positive if you pocket your pride and ask for advice on how you can make changes that will make the difference.

LEO (July 23 to August 22) Your Lion's heart gives you the courage to push for answers to a job-related situation. Stay with it. You'll soon find more believers coming out the ranks of the doubters.

VIRGO (August 23 to September 22) Your curiosity pays off this week as you push past the gossip to find the facts. What you ultimately discover could lead you to make some changes in your plans.

LIBRA (September 23 to October 22) A new sense of enthusiasm helps get you out of on-the-job doldrums and back into a productive phase. Family matters also benefit from your more positive attitude.

SCORPIO (October 23 to November 21) A bit of nostalgia is fine. But don't stay back in the past too long or you might miss seeing the signpost up ahead pointing the way to a new opportunity.

SAGITTARIUS (November 22 to December 21) If you feel you need to take more time to study a situation before making a decision, do so. Don't let anyone push you into acting until you're ready.

CAPRICORN (December 22 to January 19) As the Great Advice Giver, the Goat really shines this week as family and friends seek your wisdom. Someone especially close to you might make a surprising request.

AQUARIUS (January 20 to February 18) Spiritual concerns dominate part of the week before more worldly matters demand your attention. An old promise resurfaces with some surprises attached.

PISCES (February 19 to March 20) You're in a highly productive period and are eager to finish all the projects you've taken on. But don't let yourself get swamped. Take a breather now and again.

BORN THIS WEEK: You have a gift for learning new things quickly and applying your knowledge to best advantage where needed.

berg's well-loved fantasy about a lonely boy and his alien friend will be shown in its original, unaltered version as seen theatrically in 1982. The movie runs 115 minutes and is rated PG for some mild language.

Finally, on Monday, May 5 at 7:00 pm, prepare for the return of Indiana Jones with a screening of his first cinematic adventure, *Raiders of the Lost Ark*. Whether you're a longtime Indy fan or new to the series, thrill to the action-packed exploits of the daring archaeologist as he tries to find the Ark of the Covenant before the Nazis do. The film runs 115 minutes and is rated PG for violence and mild language.

All movies are free to the public. Screenings will be in the Millicent Library auditorium. Entrance through the elevator lobby on Walnut Street.

ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment,
your vehicle, repaired at a shop of your choice. Your insurance company may
suggest a list of repair shops. Do not be persuaded by this list, it is not a
guarantee of quality of services, nor does it limit your options. You want a
shop who will work for you and with you to put your vehicle back to pre-
accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed,
bonded, registered repair shop with the state of Massachusetts. We work
with all insurance companies to expedite your repairs. The important thing to
remember is we repair the vehicle for you, our customers, not the insurance
companies. So remember, if the need arises, contact **COLLISION SERVICES
OF MARION, INC.** to get back on the road.

Also Note: The Office of Tourism sends out press releases on events year round and constantly updates its lists. Event listings and/or updates may be submitted at any time, as soon as your group's plans are made, so they may be included in ongoing publicity campaigns.

The calendar brochures are distributed free at visitors centers, hotels and other public locations in the area. They are sent to people requesting information about Fairhaven and to regional media outlets. The Office of Tourism also submits lists of events to be included in regional guides and websites.

Listings must be submitted in writing and should include the following: name of event; location, including street address; date(s); time(s); name of sponsoring organization; admission prices; a description of the event; how to obtain tickets, if needed; handicap accessibility information; and a telephone number that the public may call for further information. If the organization has a website or an email address, that may be included as well. The description of the event may include names and brief biographies of performers, schedules of activities, lists of participating vendors, or other information explaining the event. Please double-check your listing to be sure that all of the necessary information is included.

Calendar of events submissions may be mailed or delivered to the Fairhaven Visitors Center, 43 Center Street, Fairhaven, or emailed to FairhavenTours@aol.com. You may fax listings to 508-979-4085. Calendar listings are

not taken over the telephone.

The Office of Tourism hours are Monday, Tuesday, Thursday, Friday and Saturday from 8:30 am to 4:30 pm.

I found the Aardvark!

Each week we will give away an Aardvark Gift and each month we give away a special Aardvark Gift Basket to one lucky person. All you have to do to enter is find the Aardvark! The little guy you are looking for looks exactly like the one pictured above (but don't put down this page as your answer, there's another one hidden somewhere in this issue).

The winner will be selected from all the correct answers picked by the deadline and the prize will have to be picked up at our office. Only one entry per household per issue please.

To enter, simply find the aardvark in this issue, then go to our web page and select the link "I Found the Aardvark" entry page. If you would like to enter by mail, send your name, address and phone number along with the issue date and page number you found him in to: Wanderer - I Found the Aardvark, P.O. Box 102, Mattapoissett, MA 02739.

Winner, past location and prizes listed on our website at: www.wanderer.com Click on "I Found the Aardvark"

In the February 28 issue the Aardvark was on page 6!
